

## **Course Expectations**

### **WCII**

**Brian Sheehy**

**sheehyb@northandoverpublicschools.com**

#### **Course Overview**

Part A of WCII is designed to cover topics from WWI through WWII from a variety of different global perspectives. The course is designed to look at events through the lens of social, political, and economic events.

#### **Necessary Materials Provided by Students**

3 Ring Binder with loose leaf paper  
Writing Utensil

#### **Grading Policy**

Formative Assessments- Tests, project, and papers= 60%

Informal Assessments- Homework, debates, Class work= 40%

#### **Homework Policy**

Homework will be given every night and graded.

#### **Attendance/Make-up Information/Extra Help**

Being in class on time is essential to being successful in this class. Participation and involvement in discussion will help in the mastery of the material so students are expected to participate in classroom activities.

Students will be allowed to make up test if they were absent but must be done so in a timely manner. Extra credit will be given on teacher's discretion.

#### **Class Behavior**

##### **Class Rules**

1. Treat yourself, fellow students, and the teacher with respect at all times. Students are expected not to interrupt others when talking and to respect the opinion of their fellow students.
2. Arrive to class on time and prepared with all appropriate materials.
3. Students will be responsible to make up their own work. I will be available before and after school to meet with students to get them any work they are missing. I will not track you down to get you the work; it will be your

responsibility to get any missing work. Missing work must be made up within two weeks or the grade will become a zero.

All formal writing assignments must be typed unless told otherwise. If this is a problem please let me know and we can make arrangements.
